

Formula ACE - Fuel Saving Additive

- 100% refined crude oil component
- Suitable for gasoline and diesel engine
- Increasing fuel efficiency from 15% to more than 35%*
- Increasing engine performance
- Increasing engine longevity
- Reducing hydrocarbon emission up to 60% (Environment Friendly)

Amount of Formula ACE in fuel

- RM 1/10cc
- RM 0.90/10cc for loyalty customer
- RM 0.80/10cc for purchasing ≥ 500 cc
- Maximum purchasing is up to 500cc

Note:

- * Terms and Conditions Apply
- Engine working condition
- Tyre pressure
- Road conditions
- Fuel quality
- Driver attitude

Cautions

- Store at cold with proper ventilation place
- Keep away from children
- Avoid any contact with eyes, or skin
- Avoid contact with painted surfaces
- Wash and flush with water if contact with any part of body
