

SHARLU MARINE HAVEN 133, 134, 135

SAE Viscosity Grade: 30, 40, 50

This is a family of superior marine engine oils made from top quality high VI paraffinic base stock with strong additive package to cater for medium speed marine and stationary diesel engines with trunk type piston. It is suitable for marine and rail-road trunk piston diesel engines operating with normal or heavy fuel having 1.5% sulphur or less. Sharlu Marine Haven 133, 134, 135 has a TBN of 13.

Main Benefits

- Effective protection against corrosion from combustion by-products.
- Reduced deposits due to strong dispersant-detergent package.
- Minimum ring and liner wear.
