

## SHARLU MARINE HAVEN ZF 204

### SAE Viscosity Grade: 40

This is a fourth generation zinc free diesel engine oil for medium speed engines with silver bearings operating with fuel sulphur upto 3%. This product is 20 TBN oil and is suitable for high output turbo charged medium speed trunk piston diesel engines working under severe operating conditions. The zinc free anti-wear package makes it ideal candidate for EMD silver bearings engines as well as other medium speed diesel engines operating with fuel sulphur of up to 3%.

### Main Benefits

- Cleaner engine.
- Reduced piston, ring and valve deposits.
- Excellent corrosion protection.
- Extended drain periods.

### Typical Characteristics
